## Merion Association Probes Desirability of Two Precincts

Committee to Investigate Possibilities of Division of Present District

2200 VOTERS ELIGIBLE

Whether Merion should be divided into two election districts will be investigated by a committee of the Merion Civic Association.

At a meeting of the association's Board of Directors Monday night, Thomas Wood Andrews was appointed chairman and Harold W. Scott, John A. Lafore, Jr., George F. Pettinos and A. Balfour Brehman members of a group to study the desirability of two precincts where one now exists.

It was advanced that Merion is one of the largest election districts in Lower Merion, with 1400 voters now registered and with about 2200 residents of voting age.

Under the new registration law, voting has been slowed up and long waits to cast ballots are anticipated at any time when a large vote may be cast.

Procedure for a change in the election district is for petition by twenty registered electors of the district to the Court of Quarter Sessions. The petition is referred by the court to the board of elections which makes an investigation and recommendation.

Authority to make the change, if recommended, is vested in the court.

Proposed division of the Merion district is north and south of the railroad and also Bowman avenue. In the latter proposal, it is pointed out that the Bowman Avenue School could be one polling place while the present polls at the Merion War Tribute House could be retained for the other precinct.

Brehman, new president of the association, presided at the meeting.

## Second Discovery Need of America

Henry A. Frye Tells Rotary Nation Faces Moral-Social Frontiers

This nation faces a "Second Discovery" with moral and social frontiers that must be crossed, Henry A. Frye, attorney and former Narberth burgess, told the Bala-Cynwyd-Narberth Rotary Club at its Columbus Day luncheon.

Pointing out that the American people are too indifferent to what is going on around them, Mr. Frye said that "we must share our problems with the world and reach a happy conclusion by a united and co-operative effort."

He condemned the vicious circle employed by Mussolini, Stalin and Hitler, of urging a high birth rate followed by a bad economic condition which results in a cry for expansion and aggression.

## Cynwyd Man Named Leader of La Salle College Drive

Walter B. Gibbons, Esq., 35 Penarth road, Cynwyd, is leader of nineteen parishes to organize workers to help raise \$300,000 for the Christian Brothers and La Salle College as an observance of the 75th anniversary of the founding of La Salle College by five Christian Brothers in 1863.

Mr. Gibbons is one of eleven zone chairmen chosen by Judge Harry S. McDovitt, J. J. Cabrey, of Narberth, A. L. Fitzpatrick and Ignatius J. Horstmann to complete an organization of 1,500 volunteers who will solicit funds for the extension of La Salle College and to reduce the present heavy debt. The campaign will start November 4.

Parishes in Montgomery County which will be organized by Mr. Gibbons include: St. Colman, Ardmore; St. John Baptist Vianney, Gladwyne; St. Katharine of Siena, Wayne; St. Margaret, Narberth; St. Matthias, Bala; St. Thomas of Villanova, Rosemont; Our Mother of Good Counsel, Bryn Mawr.

## Old Brooms Wanted

Old brooms come in mighty handy in the Fall and Spring in fighting field fires.

So, instead of throwing brooms away, the Narberth Fire Company would appreciate it if they were brought to the fire house on Forrest avenue.

Voicing a plea to keep the judges out of politics, Judge Knight, who is President Judge of Montgomery County, complimented the Democrats of this county for endorsing the sitting judges in the present campaign.

The luncheon meeting, held at Whitehall, Haverford, was presided over by the president of the council, Mrs. John Y. Huber, Jr., who spoke on the five constitutional amendments which will be voted on at the November election.

## Night Man Engaged for Fire Protection

Two Men Now on Duty; Council Makes Refund on Street Work

Narberth Borough Council Monday night employed James Gillespie as night man at the firehouse, awarded a three-year garbage contract and approved a \$63.33 refund to the residents of Lantwyn lane.

Council approved the recommendation of the Public Safety Committee, William H. Durbin, chairman, that \$260 be appropriated monthly to pay the two men at the firehouse with the fire chief to apportion salaries and working hours. George Gillespie is the present day man.

The Public Safety report also stated that Burgess John R. Hall had fined 113 parking violators \$1 or more during September. Formerly only warnings had been given for infractions of the parking ordinance.

A petition from the borough laborers for an adjustment of wages to the 1928-29 standard was referred to the Special Wage Survey Committee of Clarence Kaerber, Robert F. Wood and Mr. Durbin.

On recommendation of the Water, Light and Health Committee, Eugene H. Davis, chairman, W. Bloenski, for a total bid of \$2700, was awarded a three-year garbage collection contract beginning January 1.

Mr. Kaerber, Finance Committee chairman, urged that all committee chairmen and official borough organizations such as the Board of Health, Recreation Board, etc., present their 1938 budget requirements to him by November 1, so these could be presented.

## Needlework Guild Conducts Booth at Department Store

To interest those not already working for the Needlework Guild, Strawbridge and Clothier this week placed a booth in its Main Line store for directors of the local Guilds.

Branches taking charge of the booth have included Haverford, Merion, Gladwyne, Bryn Mawr and Narberth. Today it will be in charge of the Bala-Cynwyd branch and tomorrow the Bryn Mawr and Ardmore branches.

Mrs. H. L. Balderston, president of the Ardmore branch, arranged the schedule.

## Ministers Requested to Dedicate Sunday as "Hospital Day"

70 Clergymen Asked to Read Bryn Mawr Institution Message

MANY AIDING CAMPAIGN

Sunday will be "Bryn Mawr Hospital Day" in churches of the Main Line.

Seventy clergymen of all denominations on the Main Line have received a letter from Arthur E. Pew, Jr., Executive Committee chairman of the hospital's \$1,000,000 drive, asking them to read a message from him to their congregations.

In the letter Mr. Pew pointed out the hospital's need to raise the \$1,000,000 to cancel a mortgage of equal sum which annually requires a carrying charge of \$41,000.

Listing the services given by the hospital to the Main Line, he went on to say that many more could be added and free clinical work almost doubled if the amount were obtained in the current campaign.

The first report meeting, originally scheduled for yesterday, will be held sometime next week, possibly on Thursday, it was said.

Campaign strategy will be the topic as Mr. Pew and Edwin W. Ehmann, head of the Men's Committee, meet "generals" at 5 P. M. at the hospital on Monday.

Woman "commanders" met at the home of Mrs. Francis A. Lewis, Fisher's road, Bryn Mawr, on Wednesday to further campaign plans for their committee.

Meanwhile, members of Main Line Boy Scout Troops are still distributing large posters throughout their sections urging support of the drive.

Posters bear the message: "Help to raise \$1,000,000 for your hospital—Bryn Mawr."

## Hospital Given \$1400 by Main Line Italians

Samuel M. Vaulain Lauds Donors in Acknowledging Contribution

High praise for the Italians of the Main Line was given as a check for \$1400 was turned over to the Bryn Mawr Hospital for maintenance purposes by the Italian Federation of Charity on Monday night.

The money was raised by means of two carnivals sponsored by the Federation.

Samuel M. Vaulain, president of the Board of Trustees, who received the check on behalf of the hospital, lauded the "spirit and co-operation shown in supporting this institution which needs your aid to such a degree."

Charles Pizzi, Ardmore, treasurer of the Federation, made the presentation for the Federation and Dr. Alfred E. Troncelliti, also of Ardmore, spoke.

## Penn Valley Assn. Drops Incinerator Site Objection

The Penn Valley Association, which has long urged the removal of the township dump to a location outside Penn Valley, this week announced that it would no longer oppose the erection of a modern incinerator on the present dump site.

"A modern smokeless and odorless incinerator is preferable to the present open burning of trash and rubbish," according to the current issue of the Penn Valley News, organ of the association, in reporting that the organization's Executive Committee had resolved: "That no further action be taken in regard to the proposal of the Board of Commissioners of Lower Merion Township to erect an incinerator on the site of the present township dump."

## Milk Truck Driver Freed

Acquitted at Norristown this week of blame in the death of Clarence Sell, Collingdale milk delivery helper, was George L. Chatburn, 24, Narberth, driver of the milk truck on which Sell was employed.

Chatburn had been accused of failing to observe a "Stop" sign at Bryn Mawr avenue and Gulph road, Penn Valley, where his truck collided with another commercial machine August 4 and Sell was killed.

Mr. Schrepfer, one of Narberth's fathers, is professor of landscape architecture at the University of Pennsylvania, past national commander of the Military Order of the Purple Heart, and is active in local Republican, civic and American Legion affairs.

His address will particularly emphasize the resemblance and differences in the form and philosophy of Communism and Fascism in contrast to the American democratic ideal form of government. He will discuss the relationship and status of the individual human being to these new governments.

In connection with the annual membership campaign, which closes November 15, a party has been promised to the room having the highest enrollment.

Mrs. Town gave a helpful outline for reviewing books and suggested some new ones to read, among them: "If I Have Four Apples" and "The Sound of Running Feet," by Josephine Lawrence; "I'm Getting Married," by Johanna Foldas; "One Life, One Kopeck," by Walter Durranty; "Ferment," by John McIntyre, and "Strangers," by Claude Houghton.

## Join the P. T. A.

It is hoped that every family in Narberth with a child in the school will be represented by at least one membership in the Parent-Teacher Association when its annual membership campaign closes November 15.

An understanding of the objects of the association should convince everyone that the annual dues of fifty cents are well worth investing. According to the National Parent-Teacher Manual the association's aims are "to promote child welfare in the home, school, church and community—to bring into closer relationship the home and the school that parents and teachers may co-operate intelligently in the training of the child."

Its policies declare that the association shall be non-commercial, non-sectarian and non-partisan, and shall be devoted solely to child welfare lines.

Any interested person may become a member; membership is not limited to parents of school children.

Dues are spent to support the community in the guidance, care and protection of its children and to procure programs and activities for the children.

The 1937 football season is destined to be one of the most interesting since Hector was a very young pup. From one end of our land to the other the perennial stalwarts of the gridiron are biting the dust under the heels of rejuvenated also-rans. It's a healthy sign and welcome. It's welcome news to read about Minnesota being bent by the power of Nebraska and just as pleasing to watch Cornell rise from her ashes to take a front ranking place in the East.

If my memory is good, it was just twenty years ago this fall that Lower Merion and Abington tied up in their first football game. This game was played at Abington and resulted in a 6 to 6 tie. Lower Merion followed in 1920 with a 13 to 7 victory, but in 1921 Abington scored 21 to 6. In the years of 1927 and 1928 Abington had a tow-headed flash in the backfield named Kern. The lad was good enough to defeat the locals during those two years, by scores of 13 to 6 and 12 to 0. Since that autumn nine years ago, Abington has been unable to win against the Maroon team until the game on Saturday last.

Although Abington had showed much promise as a title contender this season, I felt that Lower Merion would be just a little too strong for them, but the fine work of the entire York Road team was good enough to hold the locals scoreless while they battered their way to two touchdowns. The work of Cunningham, Zenger and Whittingham in the backfield matched the splendid line play of the victors.

While we prefer victories for Coach Adam and his boys, we should not begrudge Abington her fourth victory over the Maroon over a period of twenty years and her first since the fall of 1928. All things considered, Abington was just about due.

Coach Adam and his assistants have another problem on their hands this week. Haverford High School, with a light but evidently smart and lucky team, comes to Pennypacker Field to play their big game of the year.

Lower Merion and Haverford have exactly the same 1937 record to date. Each has won one, tied one and lost one, and accomplished those results in exactly the same order on the same week-days.

The boys will have to show more than they did up at Abington if they are to resume their winning ways.

This series also started twenty years ago, quite a few years before the present Haverford High School was built. Lower Merion walked off with the verdict by an overwhelming score of 44 to 0. That was the year Frank McGrady was the big gun on the Maroon attack.

Coach Dick Mattis took his Junior High team to Pottstown last week and while his boys showed strength on the offense they came home with a 0 to 0 tie. The Leopards should have won by sheer strength, but the choice to go into the air at the wrong time prevented them from scoring. A little more experience and the boys will be playing some very good football.

Rittenhouse Junior High, of Norristown will meet the Leopards of Pennypacker Field today.

to raise \$1,000,000  
for Your Hospital  
...Bryn Mawr!

From Paoli to City Line; from West Chester Pike to the Schuylkill, there's only one hospital—Bryn Mawr.

This entire residential section is growing rapidly — thousands of new residents make their homes here every year.

To serve them, Bryn Mawr Hospital, too, must grow; must keep pace with the population. More people mean more sickness; more accidents; more demand for free clinics.

Some day YOU may need Bryn Mawr—we hope that day will never come, but, if it does, wouldn't you like to know that Bryn Mawr's equipment is second to none? Wouldn't you like to feel that your bills will not be exorbitant?

Of course you would! And that's exactly why we know that you are so willing to help Bryn Mawr raise the million dollars it needs to be a thoroughly modern, economical Hospital!

Even though it's five dollars or just one dollar, please remember that in a drive like this, every penny counts. So . . . give what you can and
